Intro

And I'm brand new like a morning
Oh I never knew anything lasts forever
Till I found You, till I, till I found You

Verse

I searched through the earth
For something that could satisfy
A peace for the hurt
I had buried deep inside
Knees on the floor
I finally found everything I needed
You lifted my soul
And opened up my eyes

Chorus 1

I never knew anything lasts forever
Till I found You, till I found You
I never dreamed anything could be better
Till I found You, till I found You
You're rewriting my story
And I'm brand new like a morning
Oh I never knew anything lasts forever
Till I found You, till I, till I found You

Turnaround

(You) oo oo, till I, till I found You oo oo
Till I, till I found You oo oo
Till I, till I found You oo oo

Verse 2

Gone are the days
Of chasing after what won't last
I'm done with building these castles
That crumble like sand
Oh, knees on the floor I finally found that
everything I needed

was always right in front of me
You gave me a name
And You change everything I am

Chorus 2

I never knew anything lasts forever
Till I found You, till I found You
I never dreamed anything could be better
Till I found You, till I found You
You're rewriting my story
And I'm brand new like a morning
Oh I never knew anything lasts forever
Till I found You, till I, till I found You

Ending

You're rewriting my story
